The Tip of Cape Cod

Story and Photos by DCJ

In order to avoid the annual rush, Provincetown can be visited in the early spring. The charm of the old village is fast disappearing behind the facades of the shops that line the main street because that town is primarily a tourist trap. However, if you look up the back alleys you can see a lot of the old construction still remains (as on the cover). The beach and the wharf area are scenic still. Provincetown groans under the weight of the overbuilding but that very crush adds to the difference that makes the place unique. For those who live

to shop this is surely the place. Out of the center there is so much more to this great sandbar on the tip of the Cape. The national seashore area encompasses the marvelous dune area which reaches for miles and contains a bike path that leads you through the

The Town Hall is centrally located and well equipped with benches, and so is a popular place to chat and wait for those who duck in and out of the endless shops that line the street.

dunes to Race Point. From this spectacular beach that was the graveyard of so many ships before the construction of the Cape Cod canal, you are looking offshore toward Europe. The storms that have blasted this beach are so many there is no count, but the result is some of the finest sand available anywhere and a beach walk that reaches up the coast in both directions as far as the eye can see and much beyond. It is a beachcomber's paradise. The Pilgrims must have been disheartened to land in this endless stretch of sand and they lost no time in exploring up the coast to the Plymouth landing area. Today, however, to the vacationer this is a beach that has few equals. In the summer months hundreds can occupy this beach and all can find space to enjoy the beauty that surrounds them.

Your Key to a Lower Cost Mortgage

The unique NBIS FAST-PAY Mortgage can help you build equity in your home faster, save you thousands of dollars in interest, and let you pay off your mortgage years sooner.

If you think that all mortgages are pretty much alike... you should really learn more about the unique FAST-PAY Mortgage from NBIS. With FAST-PAY you can save thousands of dollars in interest and help build equity in your home a lot faster, at virtually the same monthly cost!

Here's how. Instead of making one monthly payment 12 times a year, you make half your monthly payment every two weeks... or 26 times a year. That extra payment each year really adds up. It actually reduces the principal faster... saving you thousands of dollars in interest, not to mention years of mortgage payments.

A big advantage of FAST-PAY is that your mortgage payments are made automatically through your NBIS Now Account. This means you'll never have to remember to write your check every two weeks. NBIS does it for you... all you have to do is to maintain the balance in your account.

So... before you make a mortgage move, find out about the NBIS FAST-PAY Mortgage — it's your key to a lower mortgage cost.

the sea does not snatch it away, the sands of Provincetown will be there for future generations to enjoy. In the town, the sights and sounds of the street scene will astound and amuse like a trip to a zoo without bars. The Pilgrim Monument overlooks the village of Provincetown and the Pilgrims, for which it is named, would surely be surprised if they could return to drop anchor and see what has become of the desolate sandbar that they fled for more fertile ground. The sandbar is the same ground but it now grows a strange summer crop.

Rep. Bradford at Meeting

SELECTMEN EXPRESS LANDFILL CONCERNS
MATTAPOISETT SELECTMEN'S MEETING
FEBRUARY 11, 1992-by BRIAN KEENE

State Representative John Bradford, R-Rochester, heard selectmen voice concerns over the future of Mattapoisett's landfill, and promised to present a formal proposal to the governor to help the town expand its "excellent" waste disposal facility. Under an eight year old plan, the present ten acres of landfill are due to be capped by 1995. Selectmen would like to open up another ten acres, but the state plan prohibits expansion unless Mattapoisett can demonstrate the enlarged facility would generate sufficient revenue to cover a portion of its operation. Although the town does take in certain monies by allowing outside parties and businesses to dump waste in its landfill, making the stated revenue figure by the 1995 deadline is, according to Selectman Daniel O. Mahoney, "very tight".

The expansion project is further saddled by Environmental Protection Agency regulations designed to protect groundwater and other public water supplies. According to selectmen, the landfill poses no threat to the town's water, and should not be subject to such restrictions. Selectman Paul E. Lambalot expressed the opinion of the board by stating he felt that "if a community demonstrates the ability to run its landfill according to EPA regulations, it should be able to expand the facility". He pointed to the superlative job of the landfill crew, and explained to Rep. Bradford that Mattapoisett was one of the few places allowed to conduct regular open air burning in the wake of Hurricane Bob, and was allowed to continue burning after many other locations had to stop.

When the selectmen had finished presenting their concerns, Rep. Bradford told them that they should submit a "white paper" outlining the exact problems and that he would present it to the governor.

In other business, selectmen:

MET WITH Buttonwood Zoo volunteer Kenneth Pacheco and Guy Shepard and Anthony Kenyon of the Zoological Society concerning efforts to save the zoo. They explained that

the city of New Bedford no longer has the money to support the zoo and care for the animals, and outlined the "adopt an animal" program they are currently undertaking. Under this program, companies and individuals may donate money to care for a specific animal for a year. So far, more than sixty animals, ranging from hundred dollar waterfowl to a $10,000 elephant that is available for adoption by the pound, have been claimed. Mr. Pacheco sought the board's permission to conduct fund-raising activities in town, and was given the full support of the selectmen who recognize the zoo as a valuable educational resource as well as a source of family entertainment.

WERE NOTIFIED that an additional $5,676.50 was received to be included in Mattapoisett's share of proceeds from drug related seized property.

APPOINTED Janice I. Estes to the Board of Registrars at the recommendation of the Democratic Town Committee.

WERE NOTIFIED that the school committee has approved a request by the Mattapoisett Youth Athletic Association to place advertising signs around the little league field at Old Hammondtown School. Selectmen also approved of this measure.

RECEIVED A REQUEST from Mr. Karl Dlugosinski of Crystal Spring Road that speed limit postings be made on this street. He says vehicles routinely travel up to fifty miles an hour on this narrow road that is heavily traveled by pedestrians. Selectmen agreed to have the highway department look into the matter.

RECEIVED A LETTER from Mr. Wayne Oliveira, President of the Mattapoisett Lions' Club, informing the board that the Harbor Days festivities for 1992 will be July 17th-19th. Selectmen granted permission for the use of town facilities and further praised the work of the Lions.

INDEPENDENT VOTERS: The Town of Mattapoisett does not have any voter enrolled in the Independent Voters Party. There is general confusion concerning the Independent Voters Party vs Unenrolled voters. Sen. Wall Visits Village Court

COASTLINE ELDERLY SERVICES

On Friday, February 7th, State Senator Erving H. Wall, Jr. visited several seniors at Village Court who are receiving services from Coastline Elderly Services, Inc. of New Bedford. Senator Wall also visited a senior living independently in her home and receiving services from Coastline. Senator Wall had lunch with seniors at the Nutrition Site at Village court.

Senator Wall is a member of the Select Home Care Study Committee, which has held hearings in three locations in the state, to consider the possibility of consolidating Home Care Corporations located throughout the state from 27 to 20 Home Care Corporations. The consensus of the people who might be affected in the Coastline service area is that this would be detrimental to the care available to clients.

Joseph Perry and Evelyn Pursley discuss seniors' needs with Senator Erving Wall center.

Senator Wall was accompanied by Charles Sisson, Executive Director of Coastline Elderly Services; Evelyn Pursley, Chairperson of the Mattapoisett Council on Aging

On January 31st Chairman of Selectmen John DeCosta and Mrs. Pursley testified at the hearing of the Select Home Care Study Committee in Fall River of the need to continue the services of Coastline in New Bedford, for the greater New Bedford area. Leadership Program. Mr. Jacobsen's formal application was submitted in competition with other high school sophomores throughout Massachusetts. Students selected will participate in a Youth Leadership Seminar at Boston University in June 1992. Following the state seminar two students will be selected to attend the World Youth Leadership Week to be coordinated by the Carnegie Mellon University in the summer.

The Youth Leadership Seminars provide outstanding sophomores with the opportunity to meet and interact with leaders in business, government, the arts, and education. Over two hundred students will spend a weekend on the Boston University campus and participate in numerous activities. The goal of the Hugh O'Brien Leadership Program is to recognize and encourage leadership in younger high school students.

It is a passion we have shared with George Washington who bought our Number Six Cologne by the case for his own use and to give to his friend the Marquis de Lafayette ... and with a long line of luminaries, among them Greta Garbo, Edgar Allen Poe, Sarah Bernhardt, Maurice Chevalier, Errol Flynn, White House families ... The passion continues to this day. Immerse yourself in the legends and lore behind our old-world preparations, fine fragrances and opulent range of rare and unusual bathing essentials. Congregational Church

MATTAPOISETT

It is often difficult to respond quietly and faithfully to the more difficult moments in our lives. When we are faced with tragedy or terminal illnesses we tend to lament our plight or ask, "Why me?" Or, when we have been wronged, our first reaction would be to either withdraw or seek to respond in kind. Our Judeo-Christian heritage has taught us otherwise.

We are called not to expend precious energy asking "why" questions, but to respond creatively and with a depth of faith. Words such as "humility" and "love" do not seem to have a place in an era of competition and anger. To save ourselves, and to remain emotionally healthy, we need to go back to some basic teachings concerning our approach to "enemies". The title of the sermon this Sunday at the Mattapoisett Congregational Church will be "Feeding the Enemies". Our worship service begins at 10:00 and we look forward to your joining us. Nursery service is always available during the time of worship.

VALENTINES FOR VETERANS

Old Hammondtown School is full of students who really care about others. Under the direction of the resource room staff, the students have produced 600 Valentine cards for veterans at the Brockton Veterans' Administration Medical Center in Brockton, MA.

This project was born through an appeal from Ann Landers to remember our hospitalized men and women who gave so much for our country. Our students met the challenge with much enthusiasm and a lot of imagination. During art class and homeroom time the creative talents at Old Hammondtown School poured forth such a diverse variety of greetings that one might think they were at the Hallmark printing factory.

Making the Valentines was a meaningful experience for the Old Hammondtown students. We know our Valentines will be received with warm-hearted joy.

Visiting Artists Invited

March has been designated by the Massachusetts Art Education Association as "Youth Art Month". This is the fourth annual celebration of the month at Center School in Mattapoisett.

A major part of the celebration will be the visitation of artists, during art class time, to discuss and demonstrate their area(s) of expertise. Funding to compensate the artists for their time has been provided by the Mattapoisett Parent Teachers' Association and by the Massachusetts Arts Lottery Council as administered by the Mattapoisett Arts Lottery Council.

Visiting artists in the past have included those specializing in face painting, watercolor, silk screening, stained glass, furniture making, wood burning, and several others. Repeat visiting artists are certainly welcome, as are newcomers. We know there is a lot of talent out there, and we also know that the rewards of sharing that talent with our young artists are immense. Just ask the students.

If you are an area artist and interested in enriching the creative development of our young "Van Goghs", then please contact Diane Perry, Center School Art Teacher, by February 28th, by calling 758-2521 (Center School). This year the program will run from mid-March to mid-April, and will coincide with Center School's Music/Art Night on March 25th.

NAMED TO DEAN'S LIST
UNIVERSITY OF MASS AT AMHERST

Dean of Students Sharon Kipetz has announced the names of students who qualified for the Dean's List for the 1991 fall semester at the University of Massachusetts at Amherst.

In order to qualify an undergraduate student must receive a 3.5 grade point average or better on a four-point scale. "Because fewer than 15 percent meet this high standard, making the Dean's List marks a significant accomplishment", said University Chancellor Richard D. O'Brien. "This academic honor is a source of pride to the entire University community."

The following local students were named to the Dean's List: from Marion, Susan E. Parent, Melinda A. Petit and Patrick J. Wetmore; from Mattapoisett, Lorraine T. Durgin; from Rochester, Daniel J. Ferreira and John P. O'Donnell.

BENTLEY COLLEGE

Bentley College undergraduate Dean H. Lee Schlorff has announced the names of residents named to the Dean's List for outstanding academic achievement in the fall semester.

To be named to the Dean's List a student must have a grade point average of 3.2 or higher with no course grade below 2.0 during the term.

Bentley, a four-year, independent college, is New England's largest institution of higher learning specializing in business education.

Named to the Dean's List is Melissa J. Bailey of Marion, a senior majoring in Marketing.

who were discharged under conditions other than dishonorable that they are entitled to burial in a national cemetery.

VA's National Cemetery System provided burials to more than 60,000 veterans and their family members last year.

Awareness of burial benefits can often spare the family of a deceased veteran anxiety and financial hardship following the veteran's death. Burial is also available, under certain guidelines, to a veteran's spouse and dependent children. Dependents do not have to be buried in the same cemetery as the veterans.

Although families cannot reserve gravesites in a national cemetery, a veteran can make funeral preparations easier for survivors by keeping his/her discharge certificate and other military service records accessible and verifying eligibility at any VA office. When death occurs, documents supporting eligibility should be given to the funeral director who will contact the national cemetery where burial is requested. The nearest VA cemetery for Rhode Island and Massachusetts residents is in Bourne, MA.

For eligible veterans and family members, VA handles opening and closing of the grave, furnishes a headstone or marker, and provides perpetual care. In most cemeteries, VA also provides a graveliner.

Other burial benefits are available to veterans who may not choose to be buried in a national cemetery. VA will furnish a headstone or grave marker for a veteran's

Benefit Dance, Feb. 22

On May 27th Memorial Day Tamara "Tami" Young was killed when her car overturned on Mary's Pond Road. She was thrown from her vehicle. Tami and her friends were heading for a day on the beach. Miss Young was a seventeen year old junior at New Bedford High School. Immediately following her death a scholarship fund was established in her name. Since Tami was a member of the school's show choirs we decided the fund would be utilized for a student pursuing further education in music or dance.

As a fund-raising effort we are hosting a dance on February 22nd at the Highlander in Acushnet. The dance will be from 8 p.m. to midnight featuring music by a disc jockey as well as some surprise entertainment. Tickets for this event are on sale now for $5.00.

For ticket reservations call me at 995-5062.

VOICE RECITAL

The University of Massachusetts Music Guild is pleased to announce an upcoming performance in celebration of Black History Month. Bass-baritone Oral Moses will present a voice recital on Thursday, February 20th, at 12:30 p.m. in room 104 of the College of Visual and Performing Arts.

Dr. Moses, professor of voice at Kennesaw College in Atlanta, Georgia is a well-known lieder and opera singer whose special interest is the music of black Americans of the 19th century.

In 1983 Dr. Moses toured Poland, Hungary, West Berlin, Vienna and Czechoslovakia singing the role of Porgy in the concert version of Porgy and bess. More recently, he was the recipient of a National Endowment for the Humanities Summer Seminar for College Teachers grant which enabled him to study the music of Black Americans of the 19th century.

His research on the influence of 19th century spirituals on modern gospel has been published by Greenwood Press in a book entitled Feel the Spirit: Studies in Nineteenth Century Afro-American Music.

This performance is free and open to the public. Please park in Lot 8-9. For further information please call 999-8546.

Girl Scouts' Thinking Day

Thinking Day, an international celebration for Girls Scouts and Girl Guides, originated over 66 years ago. Each year on February 22 all members of the World Association of Girl Guides and Girl Scouts think good thoughts of love and friendship.

February 22nd was chosen for Thinking Day because it was the birthday shared by Robert Baden-Powell, founder of the Boy Scouts, and his wife Olave, the World Chief Guide.

In 1932 girls from around the world began giving a penny with their thoughts -- all of the donations going to the Thinking Day Fund to promote peace and world understanding. Today, individual girls and troops find other ways to earn contributions for the fund.

struct this workshop that was so popular with participants last year that it is being offered again.

The deep splint basket has soft side handles and is wonderfully versatile. Made with flat reed spokes and weavers, half-round and sea grass rims, and webbing handles, the basket measures 11 inches long by 5 inches wide by 10-12 inches deep. Easy to weave, this multi-purpose carrier makes a wonderful gift. Additional materials will be available for purchase by class participants, who may wish to make more Tote Baskets at home.

The workshop costs $44.00 for members and $59.00 for non-members. Materials will be provided by the Museum. A short list of tools to bring to class will be sent to those who participate. The registration deadline is February 28th. Please call 888-3300, extension 22.

"A Little Night Madness"

The first day of spring will be celebrated with parties throughout the Greater New Bedford area to benefit New Bedford Child and Family Service. Donna Ingalls, benefit chairperson as well as a member of Child and Family board, says, "Child and Family is one of the oldest organizations in the area. I'm impressed with all of the programs. There must be a lot of people who would like to support the agency."

In two weeks' time volunteers found 12 families or groups of families who volunteered to host the events. Events range from small intimate formal affairs to larger, informal parties. All of the parties have two requirements. They must be entertaining and all of the proceeds benefit New Bedford Child and Family service.

Mr. Greene, who was a native of Savannah, Georgia taught music at the University of Massachusetts Dartmouth, and hosted a jazz and gospel program on the University's radio station, WSMU-FM, before his illness. He died December 30.

A moving force in the New England jazz scene for 25 years, Mr. Greene played the saxophone with Coleus, the band he founded in the early 70s. He and the band were featured performers in the local jazz community, and the band proved a springboard for its members. Keyboardist Alan Pasqua joined Carlos Santana, the rock guitarist, bassist Jimmy Earl joined Chick Corea's group, and Vick Comer, a former guitarist, programs computers for Hammer.

Greene was also a composer and recording artist. His "City Suite" was premiered at Jordan Hall in Boston.

Tickets will be sold at the door and at the following locations: the UMass Dartmouth Box Office, Symphony Music Shop in North Dartmouth, the Masonic Temple in Newport, It's Time to Eat in Fall River, Chic's House of Drums in Fairhaven, Baker Books and Clifford Station in New Bedford, Bristol Community College in Fall River, Market Bookstore in Woods Hole and Falmouth, Rayburn's Music in Boston, Langston Hughes Art Center in Providence, Yesterday's at Washington Square in Newport, Wally's in Boston.

The $239,000 repair job on Middle Wharf is shown in progress in these photos. AGM Marine Contractors of Mashpee is doing the work which is designed to stop the loss of fill from within the wharf as has been occurring with each storm. The steel panels are now being driven which, when completed, will allow the pouring of a concrete enclosure around the entire wharf so that the fill within the wharf will be contained. The work is scheduled to be completed by April 20th so as not to interfere with fish migration.

REAL ESTATE NOTIONS

MYTH: When listing my home for sale, I should price it high so I'll have plenty of bargaining room.

TRUTH: Buyers may offer low, but they may do that at ANY price. It is easier to negotiate a buyer up to fair market value than to an inflated price. Also, many good prospects will not even look at your home if it is overpriced.
